
Title: Fact-Finding Report

Author: Ellvin

Rangers - Brae - Moll
The Ranger - Rangers
remain faithful, but
perhaps a little
recognition by the Crown
would be welcome.
Miners - Minoc - Spoke
with Hamlyn the Miner
who suggested that we
share an ale and talk,
after having a drink he
told me that the wealth
of
Mount Kendall seems
unending, unlike the
health of those who work
to free her riches.

Mages - Moonglow -
Elyes the Mage - Council
of Mages fare just fine
without interference from
the mainland. All the
constant inspections
under the guise of
'fact-finding' makes them
think they aren't trusted.
Farmer - Britain - Stell
the Farmer - things are
a
bit tricky right now. The
yield wasn't what we
wanted this year. The
Onions failed. Rotted
from within. Asked for
gold. Was given 1000
Gold. Thanked me and
said,"we fare well,
but only just. Life is
hard
when the crops don't
come."

Sailors - Vesper - Rolf
the Sailor - There's an
overdue ship outa Jhelom

that hasn't reported in
for
a week now. It was last
spotted north towards
Dragon Island. He
believes the worst has
happen. And suggests I
search for survivors. I
traveled to
Dragon island by boat
and there I came upon a
survivor. Wilson the
Shipwreck Survivor. He
stated that he needs a
way off the island but
also needs fewer pirates
roamin' the waters
around Jhelom. Their
boat had been set upon
by
pirates just north of
Jhelom and His Highness
needs to know, the
waters are teemin' with
pirates these days.
